## ▲ A MESSAGE FROM THE PRESIDENT

The Multech Arabia has built its reputation in Saudi Arabia through means of sustainability, quality work delivered on time, and having experts on our team who diligently support each project. From the very beginning, our core focus has been on convenience of our Customers. Throughout the years, our hard work and commitment have resulted in the Multech Arabia serving as gateway between Saudi Arabia and our international Partners that has allowed us to continue working towards our long term goals through innovation, clear direction, and meticulous organization.

**Nazim Zaigham Hussnain Qureshi**

President

## OUR STORY

Founded with a vision to shape the future of construction in the Kingdom, **MulTech Arabia** has grown into a trusted name in residential, commercial, and industrial projects. With a passion for quality, innovation, and client satisfaction, we bring every idea to life—brick by brick, project by project.

## ▲ WHAT WE OFFER

We take pride in delivering contracting services , industrial support , manpower solutions and various kinds of civil (landscape & infrastructure) , mechanical and structural services as per project requirement.

- **We Understand Requirements**
- **We Work Precisely**
- **We Deliver Best Output**

## WHAT WE BUILD

At **Multech Arabia Constructions**, we don't just provide industrial support – we build dreams, trust, and long-lasting relationships. Whether you require manpower solutions, equipment rentals, or a large-scale infrastructure project, we're here to turn your vision into reality with precision, integrity, and passion. From the foundation to the finishing touches, we're committed to quality craftsmanship, timely delivery, and client satisfaction.

## ▲ Mission

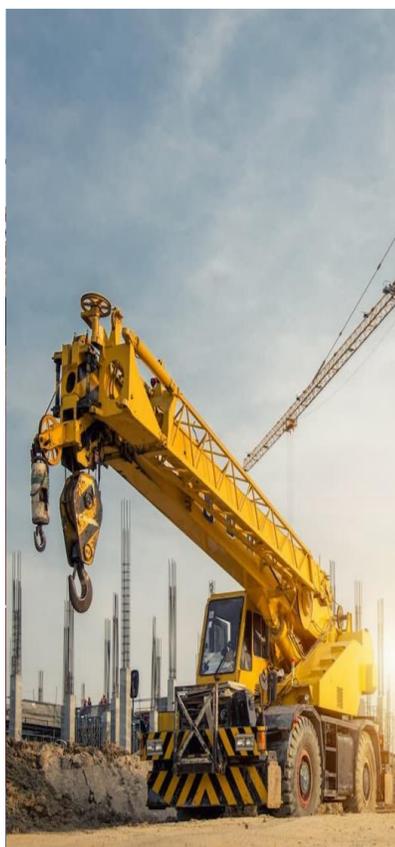

Our mission is to build sturdy establishments that can withstand the test of time. We want to create good and lasting relationships with our clients. It's our mission to deliver construction solutions to our clients through our expertise in the field of construction.

## ▲ Vision

Our vision is to be perceived as one of the sought-after construction companies in the world. We look forward to being one of the leading companies that provides excellent customer service through integrity and respect.

## OUR SPECIALIZATION

- ✓ Contracting Services
- ✓ Industrial Support
- ✓ Equipment Rental Solutions
- ✓ Manpower Solutions
- ✓ Lifting and Rigging Solutions

## CONTRACTING SERVICES

We offers end-to-end contracting services, managing every phase from planning to project delivery. We ensure quality, safety, and on-time execution with a focus on excellence and reliability.

## ▲ INDUSTRIAL SUPPORT

We provides reliable industrial support services, ensuring smooth operations through skilled manpower, maintenance, and technical assistance. We help optimize productivity and minimize downtime across various industrial sectors.

# ▲ EQUIPMENT RENTAL SOLUTIONS

We offers a wide range of well-maintained construction equipment for rent, ensuring reliability, efficiency, and cost-effectiveness. Our solutions support projects of all sizes with timely delivery and expert support.

## MANPOWER SOLUTIONS

We delivers skilled and semi-skilled manpower tailored to your project needs. We ensure workforce reliability, compliance, and efficiency to keep your operations running smoothly.

# ▲ LIFTING AND RIGGING SOLUTIONS

We provide precise and engineered Lifting plans, Lifting and Rigging Consultation, monitoring and execution of safe lifting operations. Our Goal is “Make every lift safe”.

# OUR PORTFOLIOS

We take pride in delivering projects that reflect quality, innovation, and client satisfaction. Here's a glimpse of some of our latest work across residential, commercial, and infrastructure sectors.

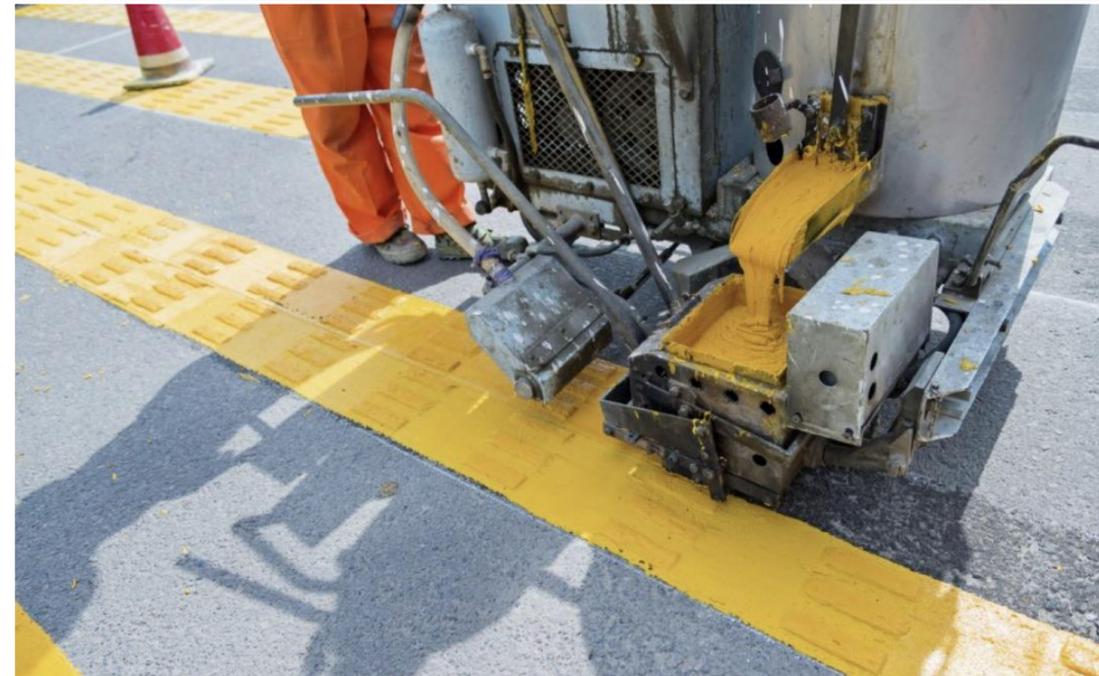

## ▲ DHA CITY KARACHI

Infrastructure works the development of roads, installation of electrical poles, street lighting etc.

# ROAD CONSTRUCTION PORT QASIM KARACHI

New Road construction works of Port Qasim Karachi, and old road repair work done by Multech Arabia.

## HEALTH & SAFETY ENVIRONMENT

For any growing organization, maintaining a health & safety environment (HSE) for its staff and workers is one of the most challenging tasks. In order to ensure cross-departmental, progressive human development we follow strict compliances.

At Multech Arabia, we intend not only to take special measures to ensure our employee's well-being but also to make certain that our most potential customers are provided with utmost protection against prevailing health & safety hazards. It was for the same reason that Multech Arabia while managing projects at several sites, reinforces and implements every possible method to comply with industry standard health & safety, and globally accepted best practices.

## ▲ QUALITY

Multech Arabia assures “To perform for our customers the highest level of quality construction services at fair and market competitive prices”

Regular training and induction shall be carried out in, but not limited to the following areas, as and when required;

- a. Site Induction.
- b. Quality Plan.
- c. Environment, Health and Safety.

## ▲ WHAT OUR CLIENT SAYS

“Reliable, professional, and highly skilled team.” *We’ve worked with many contractors, but Multech Arabia stands out. They handled our commercial building project from start to finish with no surprises. The project manager kept us updated at every step.*

— Muhammad Faisal,  
Residential Client

“Multech Arabia turned our vision into reality!” *We hired them for a full villa construction in Dammam. The quality of work, attention to detail, and professionalism were outstanding. They delivered exactly what they promised, on time and within budget.*

— Eng. Sara,  
Project Manager, Khateeb Developments
